Dear Ted,

Thanks for your note about a piece for Communications and the Law. I doubt that I will have the time, but you might send me an issue so that I can see what you're doing and it might possibly inspire me to do something.

All goes well here. I got a report from your brother-in-law who I ran into yesterday that you are happy and flourish on the Bench.

With best regards.

Yours,

WJC

Dear Bill:

As you may know, I am the Editor-in-Chief of COMMUNICATIONS AND THE LAW, a quarterly (see enclosure).

I thought that you might be interested in doing a short piece on your views of the Freedom of Information Act and related problems as they would apply to your Agency.

I trust all goes well with you.

Best regards,

Sincerely,

Theodore R. Kupferman
